

Pet Angel World Services®, LLC Announces Strategic Acquisition of Pet After-Care Service Provider

Indianapolis, Ind. – Pet Angel World Services®, LLC, a leading pet cremation and after-care service provider, announced today that the company has acquired the complete operating assets of the Indianapolis, Indiana-based Paws and Remember pet cremation franchise from the Northern Indiana Crematory Corporation. The acquisition did not include the Paws and Remember trademarks or franchise agreement.

All assets acquired will be consolidated with the Indianapolis-based Pet Angel Memorial Center®, which is managed under the direction of John Pyle, Regional Director. The Memorial Center is located at 4202 S. Meridan Street and provides best-in-class cremation services to veterinary practices as well as directly to pet families. Pet after-care services include immediate home or veterinary hospital pick-up, grief support, pre-planning services, a private family viewing room and more.

According to Michael Fuss, president and chief executive officer of Pet Angel World Services®, the acquisition is directly in line with the company’s overall strategic goal of strengthening its position in the Indianapolis market.

“By combining the Indianapolis operation of Paws and Remember with our Pet Angel World Services® and Pet Angel Memorial Center® brands, the company has effectively enhanced its scope of service in the Indianapolis and Kentucky regions bringing our best-in-class services to more veterinary practices and pet families,” said Pyle. “The goal of Pet Angel World Services® has always been – and continues to be – to provide the highest standard of pet after-care in our area. We are excited with this key acquisition as it provides Pet Angel the ability to assist additional families with our comprehensive and caring offerings. It is the next logical step in helping us better service our Indianapolis veterinary partners.”

Pet Angel World Services, LLC is a best-in-class pet cremation service provider, setting new industry standards for operational excellence, ethics, and professionalism throughout the pet aftercare process. The company provides a wide range of resources, both material and service-based, to support veterinary hospitals’ quality of care to pet owners preparing for and coping with the loss of their pet, including state-of-the-industry memorial centers.
